

TRUEGUARD-PRO™

TrueGuard-Pro™

- ✓ Reduces 95% of fail-to-start events
- ✓ True "Peace of Mind" for your company
- ✓ When weather or unintended issues arise, keep your HVAC, computers, security and other critical equipment running
- ✓ Get proactive about maintenance to ensure your generator starts when needed
- ✓ Stay informed of battery, fuel, exercise schedule, run times and Government reporting
- ✓ Monitor multiple transfer switch positions with a single unit

Communication Options

- ✓ Unlimited email and text message alerts with important information about your generator
- ✓ 24x7x365 access to OmniView®, our cloud-based dashboard shows the status of your generator

LTE Wireless Connection

- ✓ Increases data speed, reliability, security and product longevity
- ✓ Not dependent on Wi-Fi systems which could fail during an outage
- ✓ Satellite and LAN option also available
